## AUT AKORANGA (NORTH) CAMPUS CARPARKS

There is free parking available on nearby streets, although please make sure to check the time restrictions.

There is limited, on-site paid parking including mobility spaces at the North Campus – use the UbiPark app or the meter to pay: *Use Carpark 2 and 7 for casual parking.*

We recommend using Carpark 2, as it is the closest to the AZ and AF buildings, where the symposium will be held.

When the access road is built, the Gate 3 ★ entrance and existing access road to carpark 6 will be closed to the public and used for construction vehicles only. Public will then use Gate 2 ★ entrance and the new access road
